1888 Americano Society Budget & Fundraising Talking Points

As we get started as a new organization, we will also begin thinking about a simple starting budget. Right now our expenses are fairly basic. These include printing materials, community outreach, and eventually putting together a 4th of July parade float to introduce the 1888 Americano Society to the community during America's 250th celebration. To help with that, we are inviting people to become Founding Supporters of the society. Suggested support levels include: - Vaquero Supporter – \$25 - Heritage Supporter – \$50 - Founding Patron – \$100 - Legacy Sponsor – \$250 or more We will also be reaching out to local businesses that may want to sponsor the parade float and support the society's mission of preserving Prescott's heritage. If anyone is interested in helping with fundraising ideas or sponsorship outreach, we would greatly appreciate your help as we establish the society. If you would like to help with fundraising or sponsorship outreach, please note that on the volunteer sheet before you leave today.
